#### **Salary SPC Grade 15**

Are you amazed by the world around you? Do you love to make and explore? Can you nurture, adapt and use your initiative to encourage learning? If so, our small, family orientated school needs you to support a child fascinated by his environment through his learning journey in class. He needs support to enable him to access the curriculum, develop socially and emotionally and be the best he can be. The role is initially mornings only (approx 17 hrs) and will mainly involve supporting a Year 5 pupil within the mainstream classroom and with their individual learning programme. Experience and qualifications are essential.

There is also a possibility of additional hours working within our early years setting.

Long Sutton C of E V A Primary School is fully committed to a process of safer recruitment in order to safeguard the children in our care.

For further information on either position please contact Lizzie Reynolds, Head Teacher at the school.
