

Summer 2016 Test Results

KS2 SATs Result 2016

This year we were particularly pleased with our results which were well above the National results. The children have worked hard and deserve these excellent results.

72% of children achieved age expected standard or above in reading, writing and maths (National Result 53%).

	Reading	Writing	Maths	Grammar Punctuation and spelling
Average scale score	106	N/A	104	103
Average progress score	1.0	-1.5	-0.9	N/A
Percentage of children at age expect standard or above (National)	83% (66%)	89% (74%)	100% (70%)	89% (72%)
Percentage of children achieving a higher level of attainment	39%	6%	11%	0%

Year 1 Phonics Reading Test

The pass mark for the phonics reading test was set at 32 words from 40 read correctly. 91% of our children taking the test passed. These are excellent results and a result of outstanding phonics teaching and hard work from the children and staff this year.

KS1 Test Results

100% of children achieved age expected standard or above in maths.

69% of children achieved age expected standard or above in reading.

77% of children achieved age expected standard or above in writing.

These good results are well deserved by the children.
