

	I keep my handwriting on the line.	I know how to join all my letters.	I hold my pencil correctly.		
		I can write some of my letters correctly, starting and finishing in the right place.	I can spell my word list accurately.	I can write a text by thinking of a list of sentences in the order I need.	
	I check my sentences make sense by re-reading them.	I know the names of all the letters of the alphabet in order.	I can write out a sentence told to me by my teacher.	I can tell you where I might use a capital letter, a full stop, question marks or exclamation marks in my work.	
		I can use adjectives to describe something in my writing.	I can use some connectives in my writing.
