Should a child become unhappy about being cared for by a particular member of staff, the DSL/ Manager/Playleader will look into the situation and record any findings. These will be discussed with the child's parents/carers in order to resolve the problem. If necessary the DSL/Manger/Playleader will seek advice from other agencies. - Gloves and aprons are put on before changing starts and the areas are prepared. Paper towel is put down on the changing mat freshly for each child.
- All staff are familiar with the hygiene procedures and carry these out when changing nappies.
- Young children are encouraged to take an interest in using the toilet; they may just want to sit on it and talk to a friend who is also using the toilet.
- They should be encouraged to wash their hands and have soap and towels to hand. They should be allowed time for some play as they explore the water and the soap.
- All staff are gentle when changing; they avoid pulling faces and making negative comment about 'Nappy contents'.
- Staff do not make inappropriate comment about young children's genitals when changing their nappies.
- Any soiled nappies or pull ups are bagged (double wrapped) for the parent to take home.
