

Forest School

The summer holidays are almost here! We have been fortunate to have some amazing weather during lockdown that has encouraged us all to spend time outdoors.

We are finishing off this term with a nature quiz to test the knowledge of all you amazing children! See how many questions you can answer by yourselves and let the school know your scores. I'm predicting top marks for many of you because I know how much enthusiasm you have for our local environment. Good luck and I look forward to seeing you all in September!

Let's have a quiz!

<p>1 What breed of pig is this, a saddleback or a Tamworth?</p> 	<p>2 Do slow worms have legs?</p>	<p>3 Which dies after it's stung you, a bee or a wasp?</p> 	<p>4 What farm animals can be milked?</p>	<p>5 Which female bird can sing?</p>
<p>6 What are baby goats called?</p>	<p>7 Is this bird a chaffinch, house sparrow or great tit?</p> 	<p>8 Would you find a common lizard in the UK?</p>	<p>9 Is this herb basil, parsley or thyme?</p> 	<p>10 Do hens lay eggs standing up or sitting down?</p>
<p>11 What type of amphibian is this?</p> 	<p>12 What type of berry is this?</p> 	<p>13 Which insect can live a week without it's head?</p>	<p>14 Which insect doesn't sleep?</p>	<p>15 Which is the only fruit with seeds on the outside?</p>
<p>16 What type of tree is this?</p> 	<p>17 What type of flower is this?</p> 	<p>18 Which tree does a conker come from?</p>	<p>19 What type of creature likes to eat hazel nuts?</p>	<p>20 What kind of trees lose their leaves in autumn?</p>
<p>21 How many legs does an insect have?</p>	<p>22 How many earth worms can a badger eat in a day?</p>	<p>23 What is the smallest British mammal?</p>	<p>24 What is the UK's only venomous reptile?</p>	<p>25 What is the largest bird in the UK?</p>
