Dear Parent/Carer

Next week Y6 have their Statutory Assessments. They have worked really hard to prepare for these and I know they will all do their best next week. Now the time has come I am sure they will enjoy the week as there will be a number of treats for them, and they enjoy showing off all they have learnt. We wish them the best of luck.

The week after next is our Arts week and we would like to invite parents and carers to have a look at the children's work from the week on Friday afternoon (22nd May). The teachers will set up a table or two of their artwork from their class for everyone to see. The children will visit the exhibition during the afternoon, and parents are invited to come into the hall from 3.10pm or to go back into school after pick up with their child. Some of this work will also be displayed at the Bath and West Show. More details to follow on this.

Just to let you know, as part of safety planning for school we have to prepare for many eventualities, fire, no electricity, someone coming on to site who shouldn't etc. We have reviewed our practice for a lockdown, should someone get on to site or be seen trying to and we will be doing a practise with the children next week. I wanted you to be aware, should your child be talking about this or worried about it. It is very like a fire practise which we do regularly, but the children will remain shut in the classroom when the alarm goes off.

Earrings and swimming

Children need to remove earrings for swimming. If they are unable to, they must wear a swimming hat that covers their ears. This is about safety for your child and all the others. Please make sure they have a hat if they can't remove their earrings.

Community Inclusion and Activity Team Club Activities Links.

There is information about clubs and activities run for all children with disabilities and additional needs. You do not need a diagnosis to attend. There are some amazing opportunities so do have a look if your child as any additional needs or it is hard for them to attend clubs and groups.

Is my child too ill for school?

It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. Further guidance can be found here - [NHS 'Is my child too ill for school?' guidance](#)
